October 2014 ...

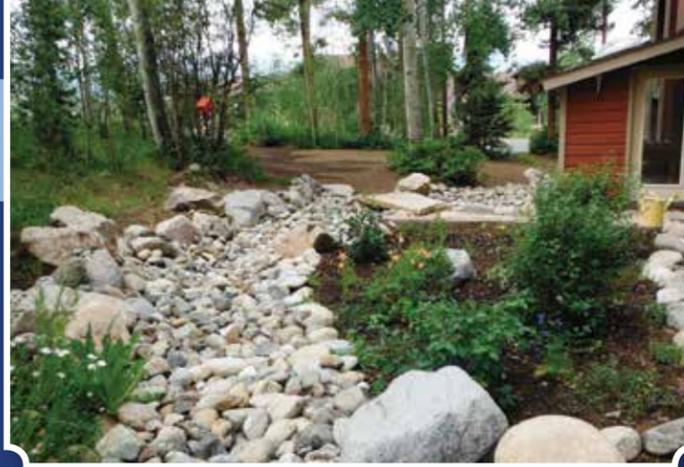

Did You Know?

When it comes to exchanging, most Indian Peaks owners wind up with RCI or Interval International. But did you know there are a lot more options today? Go to www.indianpeaks.org and click on "Compare Trading Companies" for more information.

A Chill in the Air

There's lots of excitement at the resort as we prepare for winter. It's always a challenge because we never know when it will set in. It could be as early as late September or as late as early December. We never know, but here's a list of what we've done so far this summer:

- a. 9 new sofas, matching chairs and ottomans replacing the most worn and dated pieces
- b. New hot tub in B202 replaces failed unit
- c. New walkway to building A
- d. Asphalt sealcoating
- e. Irrigation lines repaired and expanded eliminating costly hand-watering
- f. Landscaping completed behind building B
- g. Tree pruning and forest management
- h. Complete window and door weatherproofing throughout
- i. Thorough roof inspection and repairs
- j. All deck railings inspected and secured safely
- k. All fire extinguishers inspected, repaired, replaced and certified.
- l. New artwork and interior accessories
- m. New entry sign
- n. New bicycle racks in front of each building
- o. Many, many, smaller repairs and improvements throughout

Empty Rooms

What happens if you don't use your week?

Nothing. All the careful planning, maintenance and housekeeping that we put into your unit goes unused. Instead of a great, memorable vacation, all you have is a bill for the dues. Don't do it! Indian Peaks is the highest rated timeshare in the entire Grand County region. Your ownership has value but only if you use it. **ATTENTION:** if your account is in good standing and you didn't use your 2014 week here's an opportunity for you to recover. For the \$50 exchange fee we'll book you into any open unit we have. That's right. No strings. Any open unit. If you didn't use your week, here's a rare chance for a do-over. Come on! What's stopping you? Contact me today at jdevos@indianpeaks.org

Don't Be A Victim

Don't fall for the postcard that tells you how to stop paying dues! It's just a scam to get your money. If you are at a point in your life where you must divest yourself of your Indian Peaks ownership and cannot do it yourself, contact us at the resort before you turn anywhere else. We've always kept your best interests in the forefront and we'll help you with this too. Contact me at jdevos@indianpeaks.org
